

A number of households in the borough have recently been targeted by a scam mail from China asking for help in accessing a large amount of money. This is a variant of what are often called '419 scams'. Please visit the Met Police warning about these at the following web address:

<http://www.met.police.uk/fraudalert/419.htm>

We have informed the Royal Mail Security Unit of these letters, they are aware of this scam as have previously been sent letters of a similar nature. The Security Unit asks when/if we receive any further letters to forward them on to the Unit, who will in turn send them to the correct team who deals with scam letters. Details of the Security Unit are below:

Royal Mail Security,
Security Help Desk,
Floor 2a,
Battersea D.O.,
202 Lavender Hill,
London,
SW11 1AA.
Tel: 0207 239 6655
