

Bexley Borough Neighbourhood Watch Chairman recognised for his volunteering

Many congratulations to Ray Hudson on receiving the very first Team London award to be presented. He was officially recognised by Boris Johnson on Thursday 1st March at City Hall for his 31 years of service volunteering in Bexley borough.

Team London is the Mayor's programme to mobilise an army of volunteers to improve life through programmes aimed at reducing crime, increasing youth opportunities and improving the quality of life by cleaning, greening and building stronger neighbourhoods. Awards are for Londoners who improve their neighbourhoods by giving up their free time to help others.

Well done Ray.
