The Bexley Community Safety Partnership includes the Council, Police, Fire Brigade, Health and Probation who work together to reduce problems of crime, anti-social behaviour and drug and alcohol misuse. To help us decide what should be the partnership's priorities for next year please tell us what crime and disorder issues cause you most concern in the area you live or work in Bexley by completing the online survey at www.bexley.gov.uk/crimesurvey. It will only take 2 minutes to complete and is completely anonymous. Thank you for your time.
